

Policy for Memorials at UUSS

A memorial may be placed at UUSS when family members or members of the congregation request the memorial and the following criteria are met:

- The deceased has contributed significantly to the health of the congregation through financial support, volunteer hours, leadership responsibilities, or any other contributions that are determined by the Board to be significant.**
- The request is submitted in writing for formal Board approval and includes the proposed design and proposed placement of the memorial.**
- The requestors are responsible for the cost of the memorial.**
- Placement of the memorial has been approved by the Aesthetics Committee and the Property Management Committee.**
- The memorial follows the guidelines developed by the Aesthetics Committee and the Property Management Committee.**
