

APPLICATION/NOMINATION FOR UUSS WORSHIP ASSOCIATE TEAM

The most visible role of a “Worship Associate” (WA) is to assist ministers during the Sunday service by giving the Welcome, offering a reflection or reading, and serving in other roles during the service. Worship Associates also set up and take down the altar area.

Most profoundly though, Worship Associates serves on a team that provides support for the ministers and each other in exploring, more publicly, our engagement with life and our revealing of self.

There is one Planning meeting during the first Thursday of every month, 6–8:30 pm (mandatory without prior excuse) and one monthly Writing Workshop on third Saturdays 9:30–noon (strongly recommended). You would likely support the service every 4-8 weeks. Term: 2 years.

You may nominate yourself or another to serve as a Worship Associate.
