

The Message of the Holly

The holly and the ivy, entwined around the tree, give

Special meaning to this time of sharing, hope, and peace.

Deep and green are the leaves, berries right, together cry;

“A King is born, a King is born tonight!”

Sing Hosanna for the wonder, sing Hosanna day and night,

For the mystery of the ivy and the holly berries bright.

In the realm of green and growing, holly is the fairest tree,

Ivy climbs throughout its branches, ever circling, ever free.

Peace He brings into the world, hope for you and me.

In the wonder of His love, ever circling, ever free.

Sing Hosanna for the wonder, sing Hosanna day and night,

For the myst'ry of the ivy and the holy berries bright.

Ho – sa – nna, Ho – Sa ----- nna.
