**UNITED NATIONS DAY CELEBRATION
SUNDAY, OCTOBER 27**

**Climate Change Experts Panel:
"Our Planet, Our Future"**

Join the United Nations Association of Sacramento for a wonderful afternoon to celebrate the anniversary of the founding of the United Nations 74 years ago.

Is there still time to prevent the worst effects of climate change, or is it too late? We will have climate experts present on the current fight against climate change & the steps that NGOs, local & world governments have taken (or haven't) to address this climate disaster in the making. This event is FREE & open to the public. SOLAR-COOKED DESSERTS will be provided after the program. Music prodigy, Neil Nayyar, will perform, celebrating our collective efforts to combat climate change.

SPEAKERS:

- Mr. Troy Wolfe, Senior Director of Education Programs at the UN Foundation
- Kate Wilkins, M.S., Member of the Board of Directors, 350 Sacramento
