In Loving Memory

"Hope" is the thing with feathers

Emily Dickinson

"Hope" is the thing with feathers
That perches in the soul
And sings the tune without the words
And never stops - at all

And the sweetest - in the Gale - is heard

And sore must be the storm
That could abash the little Bird
That kept so many warm

I've heard it in the chilliest land

And the strangest Sea
Yet - never - in Extremity,
It asked a crumb - of me.
