

# 2025 Fund-a-Need

## Campus Art Installation & Memorial Wall

**Your Donation will be matched up to \$5,000!**

*Mosaic Art Installation*

The **Memorial Wall** will provide a beautiful remembrance of our UUSS friends, members, and family who have passed. Our vision is a mosaic art installation on a wall behind the labyrinth depicting a **flowing river**, representing our area and invoking the river of life.

Individual name plaques will honor our loved ones. In addition to honoring those who have gone before us, this installation will be our

gift to future generations. This beautiful wall will be the backdrop for our labyrinth and meadow.

**Est. cost: \$35,000**  
*(\$27,000 already raised!)*
