COMMUNITY GATHERING

WITH GUEST SPEAKER FROM SEN. ASHBY'S OFFICE

MONDAY, **AUGUST 24, 2026**
at **6:30 P.M. to 7:30 P.M.**

St. Charles Borromeo Parish
7584 Center Pkwy, Sacramento, CA 95823

Sacramento ACT will host a community gathering on August 24th, to demonstrate our faith value that "families are sacred". We have invited Interim District Director, Michael Benjamin, to represent Senator Angelique Ashby's commitment to keeping families together, to invest in dignity, due process and community stability- not companies that profit from separating families.

- **Hear a powerful personal story about someone directly impacted by family separation**
- **Learn what passing AB 2465 (No Taxpayer Funds for Family Separation Act) can do to make it harder for companies to separate families**
- **Hear from Sen. Ashby's office about her story and why she supports AB 2465**
